WELCOME TO A NEW LEVEL OF INCLUSION

Imagine caring for someone with special needs. Imagine the challenges you might encounter when you go out to dinner or to a ball game or just for a drive. Now imagine walking into an establishment that accommodates your unique needs.

Imagine how welcome you would feel.

At Foundations, our mission is to make everyone feel welcome. That's why we are so proud to introduce the Ascent Universal Changing Table. Purpose-built for public washrooms, Ascent offers a variety of innovative features all will appreciate. Features that deliver more comfort. More convenience. More peace of mind.

WE WELCOME YOU TO EXPLORE THE MANY BENEFITS OF ASCENT

DESIGNED FOR COMFORT. BUILT TO LAST.

- Table surface size – Overall: 76.6" x 34.75"
- Height Adjustability range – 16" to 39"
- Contoured changing surface offers maximum usable space and support.
- Wraparound tray ensures snag-free loading and unloading.
- Dual control buttons allow for easy height adjustment, ensuring effortless transfers and comfortable positioning.

HIGH PERFORMANCE. LOW MAINTENANCE.

- Safe working load of up to 500lbs.
- Ascent's robust structure provides unwavering strength and reliability.
- Direct attached actuator ensures a smooth, lag-free experience and superior performance, requiring minimal upkeep compared to chain-driven models.
- Specifically designed for public washrooms.

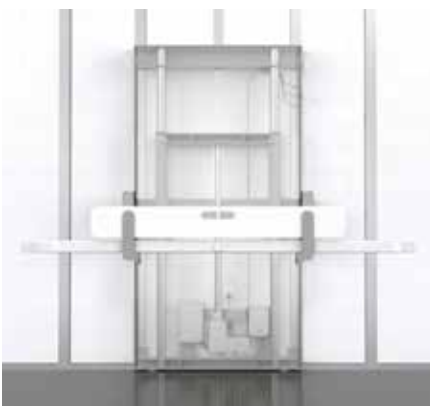

SAFETY FIRST. SAFETY ALWAYS.

- Innovative automatic retracting feature stops operation and reverses direction when an obstruction is detected.
- Battery backup to ensure safe use in power outage situations.
- Indicator lights and sound offers an extra layer of safety assurance.

SIMPLIFIED CLEANING. PEACE OF MIND.

- Entire unit is IPX4 rated, allowing for thorough and safe cleaning.
- Changing surface has no exposed fasteners, eliminating extra cracks and crevices that can be difficult to clean.
- Vacuum-formed changing surface is made of ABS plastic and resists bacteria without added chemicals.

EASY TO INSTALL. EASY ON THE BUDGET.

- Engineered to mount to most existing walls for quick set up.
- Convenient plug-in feature requires a GFCI outlet / GFCI protected circuit or hardwire depending on installation needs.

A COMPANY YOU CAN COUNT ON A PRODUCT YOU CAN TRUST

Only Foundations is engineered, manufactured, and warranty serviced in the USA. For you, that means shorter lead times for orders, greater flexibility to customization, and faster service. Plus, with an unprecedented 5-year warranty, you can be sure you're making a wise investment.

As the undisputed leader in special needs changing tables, Foundations has more patents and proprietary engineering than any other company in the industry. It's our commitment to innovation that sets the Ascent Universal Changing Table apart.

COMPLIANCE SPECIFICATIONS

- Class I electrical system to protect against electrical shock
 - UL 962 certification & CSA22.2 No. 68
 - IPX4 water ingress protection
 - IK10 impact/sharp objects rating
